Melodizing Rules:

1. 1,2,3,4,5,6,7,0 respectively represents Do, Re, Me, Fa, So, La, Si and a pause.
2. The alt and the bourdon need to be set. The octave above treble staff is represented by 3, which can be showed with three dots above the note. By contrary, -3 stands for the octave below treble staff, and the mark method is same as the former.
3. Melodizing takes one time according to 1/4 note, therefore length 1/1 represents four times, 1/2 represents two times.
 - (1) Input Do 4 times: tap the length 1/1 to express four times firstly, then press 1 (Do), at the same time the screen will display 1---
 - (2) Input Me Fa semi-time respectively: tap 1/8 to express semi-time firstly, then press 3 (Me), at the same time one line will be displayed under 3 to represent semi-time, press 4 (Fa) to also display one line. The two lines will connect with each other to represent one time.
4. The symbol represents that the length becomes 1 and 1/2, for example, length 1/4+ symbol expresses $(1+1/2*1)$ time, length 1/8+symbol express $(1/2+1/2*1/2)=3/4$ time . The expression method is adding one dot beside the note. Such as 6. represents 1 and 1/2 time of La.
5. Ascend semi-syllable to represent the former. For example, 3# shows ascending semi-syllable of Me.
6. Three-connected note represents the special length according to three continuous notes, For example:

Do, Re, Mi three syllable represent one time: select 1/4 to express as one time firstly, then tap to select the three connected note, press 1 2 3 , at the same time, one arc will connect 123.
